Knitting and Stitching Show 2018 (part 1)

Title: 'Heads'

Autumn 2018 CTN will exhibit in all 3 Knitting and Stitching Shows

London Dublin Harrogate

The K&S organisers have allocated CTN a stand of a generous size with external wall space. This will facilitate a double exhibition.

'Heads' is Part 1 of this project to be hung on the exterior of the exhibition stand. This is our chance to show who we are as members of the CTN and what our members are capable of. CTN aim to include a piece from *every* member to create a stunning visual impact. This is going to be a huge opportunity for all members to have work exhibited on such a scale so it is important we present our 'best face'.
